LOOR announces the Mentored class for the LOSHRS Day Races in 2024

Lake Ontario Offshore Racing (LOOR) would like to announce the Mentored Class for the Lake Ontario Shorthanded Racing Series (LOSHRS) for Series Day Races.

The format of the LOSHRS Day Races Mentored is to encourage cruisers to start participating in racing either single (solo) or doublehanded by having an experience racer on board to act as mentor. The mentor can not participate in sailing activities except in an emergency. Each boat can select a mentor tailored to her needs, e.g., the start, the rules, deciding on the best course for the race, etc.

More details on the LOSHRS Mentored Class available in the LOOR Blog [HERE](#):

LOOR will be holding a webinar with an open discussion on the LOSHRS' Mentored Class at 19:00 EDT, Tuesday, April 23, 2024. More details on the webinar is available [HERE](#):

This is augmented by LOOR's educational series throughout the Lake Ontario basin and promotion of other activities related to offshore racing. A key focus of LOOR is the safety of offshore racing.
